

Suyash Deshmukh

+91-8815936977 | desh mukhsuyash96@gmail.com | LinkedIn | Codolio | LeetCode | CodeChef

PROFESSIONAL SUMMARY

Detail-oriented Computer Science undergraduate with strong analytical and problem-solving skills. Experienced in Java-based programming, data structures, and building interactive web applications. Demonstrated ability to translate requirements into efficient technical solutions.

TECHNICAL SKILLS

Programming Languages: Java (Proficient), JavaScript, C++ (Basic)

Core Competencies: Data Structures & Algorithms, Object-Oriented Programming, Problem Solving

Web Technologies: HTML, CSS, DOM Manipulation, React

Databases: SQL (Basic understanding)

Tools & Platforms: VS Code, Git (Basic), Competitive Programming Platforms

EDUCATION

Lakshmi Narain College of Technology & Excellence (LNCTE) <i>Bachelor of Technology in Computer Science and Engineering (Affiliated to RGPV)</i>	Bhopal, India 2023 – 2027
Vasant International Public School <i>Senior Secondary (Class XII) – PCM – Percentage: 79.6%</i>	Multai, India 2021 – 2022
Vasant International Public School <i>Secondary Education (Class X) – Percentage: 79.4%</i>	Multai, India 2019 – 2020

PROJECTS

Task Manager Web Application

HTML, CSS, JavaScript

- Designed and developed a task management application to improve task organization and productivity
- Implemented CRUD operations, color-based task categorization, and dynamic filtering using JavaScript
- Applied event-driven programming and DOM manipulation to update UI in real time without page reloads
- Enhanced usability through task locking mechanisms and controlled deletion to maintain data integrity

ACHIEVEMENTS

- Solved 150+ Data Structures and Algorithms problems on LeetCode, CodeChef, and Codeforces
- Demonstrated consistent problem-solving ability and logical thinking through competitive programming
